

## Girl Scouts Make a Difference!!

Girl Scout Troop #1500 of the Golden Sands from the Gateway Council came to Faver-Dykes State Park on October 25, 2011 for a volunteer project. The troop raised \$100 through the "Cookies for Change" program last year and decided they wanted to give back to Faver-Dykes State Park. The girls put their monies towards purchasing Florida natives to beautify the Faver-Dykes Ranger Station and Hiram-Faver Trail Head.

Come check out the beautiful wax myrtles and dune daisies for yourself!!

Thank you Troop #1500!!!!
